We authorise IU Energy to act on our behalf to obtain water and wastewater information:

- Including full Supply Point ID (SPID), supplier details, contract end dates, water consumption figures, pricing, contract data, meter readings, invoices and any other relevant information.
- Negotiate with potential suppliers to offer competitive supply tariffs on our behalf and, once agreed, serve notice to our existing supplier.
- Agree contracts on our behalf, only with our prior written consent.

This letter is valid until further notice for all sites registered under the business name provided.

We understand that no contract(s) will be put in place without our prior written approval.
